WELCOME TO THE MAGPIES NETBALL FAMILY

Here is some information to help you navigate the season.

COMMUNICATION

Communication is of utmost importance and can prevent many issues from occurring. We utilise electronic forms in the majority of cases. Please ensure we always have your current contact details within Netball Connect. We communicate primarily via our socials listed above. Please "Like" us to stay informed. We also have our website established which provides a basis for our club information. Teams may have their own team chats which will provide information relevant to each team.

TRAINING - READ CAREFULLY

Primarily occurs at the Mackay Netball Association courts in Casey Avenue. All training times are left up to the coaches and will usually stay the same throughout the season. Parents and players are responsible for arrival and pick-up from training. It is the players' responsibility to train with their team weekly. Please contact your coach or manager if you are unable to train or play. Be honest in your attitude and preparation to training. How you train is how you play! It is not fair to your coach or the rest of your team if you don't train every week. If you miss training without notifying your coach, your court time will be affected.

UNIFORMS

There are two choices for our uniform. One is a black and white dress and the other is a shirt and shorts combination. Both of these are purchased from the club. Uniforms must be worn for all club games. **Bummers/netball shorts:** Black netball shorts or bummers must be worn under the dress. These pants must not be visible below the hemline of the dress when the player is in a standing position. **Shoes:** There are no restrictions as to the type of runners needed for netball however, we recommend that they are a good fit and are in good condition in order to provide adequate support for ankles and feet. **Training singlets and socks** will be provided during the season for those who are new to the club or who need replacements. These must be worn to training sessions.

CLUB INFORMATION SHEET

CLUB MEETINGS

Club meetings are held monthly, usually on Sunday afternoons at Magpies Sporting Club. All are welcome. Email us for the next date and help give back to your club.

INJURY CLEARANCE

If a player has an injury that keeps them off the court for more than 2 weeks, a medical clearance will be needed prior to being allowed to play again. We have seen too many members reinjured of late because they return too soon so this is to protect our members in the long run.

BLUE CARDS

All volunteers helping out during the season must have a BlueCard. It is free to apply, and forms are available online.

WEATHER

Netball is usually not played if it is wet. A decision is made by Mackay Netball Association (MNA) as early as possible, and this is advised via their website and their Facebook page. In any case, watch the website and Facebook pages for updates.

We strongly recommend use of sunsafe habits when playing netball. Slip, slop, slap, slide and seek shade!

UMPIRING

NEVER CRITICISE AN UMPIRE. If it is believed that an umpire needs support, team coaches or managers will find a member of our committee who will assist with finding appropriate support.

Umpiring in 2025 is changing with the MNA Umpiring Committee looking after development and allocation of umpires for all competitive grades. We will continue our mentoring program for our beginner umpires and our mentors will also be a big part of the MNA umpiring group. Team White is super important and we will continue to support the development of umpires.

All umpires will need to be registered through Mackay Netball. All game allocations (except for NetSetGo) will be done through the Netball Connect app. Please ensure your notifications are turned on and you respond to your allocations urgently each week.

BEHAVIOUR GUIDELINES

At Magpies Netball Club, we have very high behaviour expectations. These are outlined in the Codes of Conduct of Netball Australia, Netball Queensland, Mackay Netball Association and Magpies Sporting Club. All players, officials and spectators are obliged to abide by these codes. We have established the following summary but if you keep our values in mind, you will be on the right track. Full details and consequences for breaches are outlined on our website.

Operate within the rules and spirit of the sport.

Never argue with or disrespect an official.

Be a good sport. Applaud all good performances made by your team and the opposition.

Treat other participants in sport as you would like to be treated.

Commit to training every week.

Conduct yourself in a respectful manner relating to language, temper and punctuality.

Be ethical, fair, considerate and honest in all dealings with others.

Be courteous in communication with all.

Co-operate with your coach, teammates and opponents.

Accept feedback in a resilient manner and aim to use it to build your skills.

Always place the safety and welfare of children above other considerations.

Show appreciation of volunteer coaches, officials and administrators.

Support the efforts to remove verbal and physical abuse from sporting activities.

GAME TIMES

Juniors 12s, 14s, NSG- remain the same time each Saturday. The time will be known once grading is finalised.

16s, and Walking Netball - Friday night. 16A/B will be a rotating draw. Walking netball details to be advised when information is received from MNA

Seniors - rotating draw each Wednesday 6pm, 7:30pm

Premier League - Tuesday night as per MNA draw

RAFFLES

Your team will be rostered to complete the raffles at Magpies Sporting Club throughout the year. It usually takes about 30 minutes on a Tuesday night and is lots of fun. It is an easy way to give back to the club. Please say yes when you are asked!
